

Row 103: sl1pw, k2; **next stitch (marked with red) knit front and back** (only the very first stitch of the row, at all next times just **k1**), go on with chart 6 (repeat it totally 31 times); k3

Row 105: sl1pw, k3; repeat the charted pattern 30 times, knitting **I** as **k1**.

- On last repeat, the **last stitch** before edge stitches **(marked with red)** knit front and back only the very last stitch of the row, all other times it is **k1**); k 3.

At rows 107 - 113 you have double YO's and work them on **WS** as follows: first YO purl, the second YO knit.

Row 116 (WS): sl1pw, k to the end of row except the triple YO's. Work them as follows: k, p, k.

Row 117: make stretchy cast off, break the yarn and pull through the last stitch.

Notes

- All even rows are sl1pw, k2, purl, k3, unless otherwise stated, except double YO's, where first YO is purl stitch and the second YO knit stitch.
- Soak the shawl in lukewarm water and remove excess water from shawl using a towel. Pin the shawl so that half of the upper edge is a little longer than length of the back. Let it dry. Finally weave the ends.
- Thank you for participation! There are no restrictions for improvement the pattern and for sale of finished shawls.
